

Working with the Vegetal III

A one-day seminar on working with vegetation **4 April 2019** at 10 am at Stockholm University of the Arts Research Centre, Linnégatan 87, room 502.

This is the third, informal, multidisciplinary and interdisciplinary meeting for artists, researchers and scholars who are working with the vegetal in various ways. The purpose is to gather together people from different fields with an interest in plants and vegetation, in order to exchange ideas and approaches, and also to discuss the possibilities of a web publication. The seminar is organised by the project Performing with Plants.

Preliminary program

10.00 Annette Arlander: "Hanging in a Pine Tree" (video essay)

10.30 Malin Lobell: "The way a plant shares itself with us"

11.00 Kristina Tucinska: "Fröets drömmar - The seed dreaming" (solo and workshop)

11.30 Sara Ekholm Eriksson: "Nature in relation with nature"

12.00 Britta Olsson: "Konsten att bli vän med ett träd - The art of befriending a tree"

12.30 Caitlin Dear: "Being (In Company With) Nature" (to be read in the company of a tree)

13.00 – 14.00 lunch break

14.00 Discussion about a possible publication
