### Tell us about a change in your circumstances

Please visit [www.islington.gov.uk/counciltax](http://www.islington.gov.uk/counciltax) to let us know of any change in circumstances that you think may affect your council tax bills, these must be reported within 21 days of taking place. If you want to claim a Single Persons Discount tell us immediately. We will be unable to award your discount if the date you are claiming from is too far in the past and there is not enough evidence to support your claim. If you are claiming Council Tax Support you must let us know if, for example, you start work, your income goes up or down, or people leave or join your household. You may be liable for prosecution if you do not tell us.

### How your Council Tax Support (CTS) was worked out

We calculated your CTS by comparing your income, after any discounts or exemptions, to your charge for the period. We also considered the circumstances of any other people that live in your household. Any Council Tax Support or Benefit you are awarded will be credited to your council tax account. Any Council Tax Support or Benefit you've been overpaid will be debited from your council tax account. If you want to know about the way CTS was worked out for you, write to us within 4 weeks of the date of this bill. **Please do not email.**

### What to do if you think the decision about your CTS is wrong?

Write to us using the address provided, explaining why you think it is wrong. If we decide that it is wrong we will send you a new bill, if we don't, we will respond explaining why. If this is the case and you wish to appeal our decision or you don't hear back from us within two months, you have another two months to appeal to the Valuation Tribunal Service by calling 0300 123 2035 where a final decision can be made. **You must continue to pay the amounts listed on your bill.**
