

FBAUP Workshop

AI Generated Community Lexicon

Lemma: Academy

1. **AI Concept:** Academy of Fine Arts in Rome

AI Description: An educational institution organizing the event

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Alternative

1. **AI Concept:** Alternative approaches

AI Description: Different or unconventional methods used in research or art

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Alternative approaches

AI Description: Different or unconventional methods for exploring ideas

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Artist

1. **AI Concept:** Artist residency

AI Description: A period where an artist develops work in a supportive environment

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Artist-subject relationship

AI Description: The close, interactive connection formed between the artist and what is being observed.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Artistic

1. **AI Concept:** Artistic Research

AI Description: Inquiry and exploration within the arts to generate new knowledge or understanding.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Enacting Artistic Research

AI Description: A project focused on putting artistic research methods into practice

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Enacting Artistic Research

AI Description: A project focused on putting artistic research into practice

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

4. **AI Concept:** Enacting Artistic Research Project

AI Description: A program focused on putting artistic research into practice

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Atelier

1. **AI Concept:** Atelier Sem Forma

AI Description: The studio where the exhibition and research were developed

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Audience

1. **AI Concept:** Audience participation

AI Description: Viewers are invited to interact with and influence the artwork

Source: Mangureira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Basalt

1. **AI Concept:** Basalt

AI Description: A dense, volcanic rock from Faial Island in the Azores

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Belonging

1. **AI Concept:** Belonging and separation

AI Description: Feeling both part of and apart from a new place

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Black

1. **AI Concept:** Black shale

AI Description: A dark, fine-grained sedimentary rock found in Valongo

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Blurring

1. **AI Concept:** Blurring personal and objective

AI Description: Mixing personal feelings with factual information

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Body

1. **AI Concept:** Body as archive

AI Description: The idea that the human body holds and expresses personal and collective histories

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Boi

1. **AI Concept:** Fúria de Boi

AI Description: A collective or group co-founded by Tiago Aires Lêdo

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory

Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Borders

1. **AI Concept:** Borders

AI Description: Physical or symbolic boundaries that separate people, cultures, or nations

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Casais

1. **AI Concept:** Catarina Casais

AI Description: Artist and researcher whose work connects art-making with education

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Catarina

1. **AI Concept:** Catarina Casais

AI Description: Artist and researcher whose work connects art-making with education

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Changing

1. **AI Concept:** Changing images

AI Description: The idea that images are not fixed but can evolve over time

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Collective

1. **AI Concept:** Collective Intelligence

AI Description: Shared or group intelligence that emerges from collaboration and collective efforts.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#)

[link](#).

2. **AI Concept:** Collective Intelligence

AI Description: Shared knowledge and problem-solving created by a group

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Community

1. **AI Concept:** Community histories

AI Description: Shared stories and experiences of a group of people

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Configurations

1. **AI Concept:** Unforeseen Configurations

AI Description: Unexpected arrangements or outcomes that arise during creative or research processes.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Contemporary

1. **AI Concept:** Contemporary art

AI Description: Art made in the present, often reflecting current issues and ideas

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Creative

1. **AI Concept:** Creative practice as commentary

AI Description: Making art that responds to and critiques society

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Creative Detours

AI Description: Unexpected changes in direction that lead to new insights

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Creativity

1. **AI Concept:** Non-linear creativity

AI Description: Creative processes that do not follow a straight or predictable path

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Non-linear creativity

AI Description: Creative processes that do not follow a straight or predictable path

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Creativity

AI Description: Children use their imagination to see familiar places in new ways

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Critical

1. **AI Concept:** Critical reflection

AI Description: Thoughtful analysis and questioning of artistic methods and outcomes

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Cultural

1. **AI Concept:** Cultural significance

AI Description: The meaning and value of the stones within Portuguese culture

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Cultural background

AI Description: The influence of local culture on material use

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In

FBAUP Workshop: Artistic Research & Collective Intelligence. Retrieved at [this link](#).

Lemma: Curiosity

1. **AI Concept:** Curiosity

AI Description: The walks encourage a sense of wonder and interest in everyday surroundings

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Detours

1. **AI Concept:** Creative Detours

AI Description: Unexpected changes in direction that lead to new insights

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Deviations

1. **AI Concept:** Methodological Deviations

AI Description: Departures from standard research methods to explore alternative approaches.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Diaspora

1. **AI Concept:** Diaspora

AI Description: The dispersion of people from their original homeland, forming new communities elsewhere

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Discovery

1. **AI Concept:** Discovery

AI Description: Ordinary places become sources of new experiences and learning

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Discussion

1. **AI Concept:** Discussion Space

AI Description: An environment designed for open exchange of ideas and reflections.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Drawing

1. **AI Concept:** Drawing as research

AI Description: Using drawing to investigate and understand experiences

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Drawings,

1. **AI Concept:** Drawings, linocuts, embroideries

AI Description: Artistic techniques used to express ideas and experiences

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Dual

1. **AI Concept:** Dual heritage

AI Description: Having ancestry from two different cultural or national backgrounds

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Educational

1. **AI Concept:** Educational music projects

AI Description: Initiatives to teach or promote music

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Empathy

1. **AI Concept:** Empathy in art

AI Description: The artist's ability to emotionally connect with the subject.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Enacting

1. **AI Concept:** Enacting Artistic Research

AI Description: A project focused on putting artistic research methods into practice

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Enacting Artistic Research

AI Description: A project focused on putting artistic research into practice

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Enacting Artistic Research Project

AI Description: A program focused on putting artistic research into practice

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Estranhamento

1. **AI Concept:** Estranhamento

AI Description: An exhibition exploring feelings of strangeness or unfamiliarity in art and teaching

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Experimentation

1. **AI Concept:** Experimentation

AI Description: The process of trying new methods or ideas to discover results.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Exploration

1. **AI Concept:** Exploration walks

AI Description: Children and adults regularly walk together to explore their local environment

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: FBAUP

1. **AI Concept:** FBAUP

AI Description: Faculty of Fine Arts at the University of Porto, where the residency took place

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Fieldwork

1. **AI Concept:** Fieldwork

AI Description: Practical research conducted outside the laboratory

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Fine

1. **AI Concept:** Academy of Fine Arts in Rome

AI Description: An educational institution organizing the event

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Flores

1. **AI Concept:** Som Flores

AI Description: The music production name used by Tiago Aires Lêdo

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Forma

1. **AI Concept:** Atelier Sem Forma

AI Description: The studio where the exhibition and research were developed

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Former

1. **AI Concept:** Former Portuguese colonies

AI Description: Countries like Cape Verde and Brazil with historical ties to Portugal

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Generative

1. **AI Concept:** Generative art

AI Description: Art created with the help of algorithms or artificial intelligence

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Generative art

AI Description: Art created using algorithms or artificial intelligence

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Geological

1. **AI Concept:** Geological significance

AI Description: The importance of the stone's physical and mineral properties

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Geological background

AI Description: The natural history and formation of rocks

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Historical

1. **AI Concept:** Historical significance

AI Description: The role of stones and lithography in Portuguese history

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Human

1. **AI Concept:** Human vulnerability

AI Description: The exposure of basic human emotions and fragility through artistic interaction.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Imagination

1. **AI Concept:** Knowledge and Imagination

AI Description: The interplay between understanding and creative thinking in generating new concepts.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Imagination

AI Description: Maps and understanding of place are shaped by personal feelings and creativity

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Immersive

1. **AI Concept:** Immersive environments

AI Description: Artworks that surround and involve the viewer

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Immigrant

1. **AI Concept:** Immigrant mothers

AI Description: Women who have moved to Portugal from other countries

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Industrial

1. **AI Concept:** Industrial history

AI Description: The historical use of materials in local industries

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Intelligence

1. **AI Concept:** Collective Intelligence

AI Description: Shared or group intelligence that emerges from collaboration and collective efforts.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Collective Intelligence

AI Description: Shared knowledge and problem-solving created by a group

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Interaction

1. **AI Concept:** Interaction of time and memory

AI Description: How the passage of time affects the way memories are formed and recalled

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Interactive

1. **AI Concept:** Interactive art object

AI Description: An artwork designed for audience engagement and participation

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Interpretation

1. **AI Concept:** Interpretation

AI Description: The meaning of the artwork is open to the viewer's understanding

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Interstitial

1. **AI Concept:** Interstitial Zone

AI Description: A space between defined areas where new ideas or forms can emerge.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Intuition

1. **AI Concept:** Intuition

AI Description: Understanding or knowing without logical reasoning

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Knowledge

1. **AI Concept:** Knowledge and Imagination

AI Description: The interplay between understanding and creative thinking in generating new concepts.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Latent

1. **AI Concept:** Latent Space

AI Description: A conceptual zone of hidden or potential possibilities, often used in AI and generative art to describe underlying structures.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Latent space

AI Description: An area of potential ideas or knowledge that is not yet defined or visible

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Latent space

AI Description: A zone of hidden or potential possibilities where new ideas can form

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

4. **AI Concept:** Latent Space

AI Description: An undefined area where new ideas and possibilities can emerge

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Lateral

1. **AI Concept:** Lateral Paths

AI Description: Indirect or unconventional routes taken to solve problems or generate ideas.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Light

1. **AI Concept:** Light as material and subject

AI Description: Light is both the medium used and the focus of the artwork

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Limestone

1. **AI Concept:** Limestone

AI Description: A sedimentary rock from Cantanhede, used for comparison

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Lithography

1. **AI Concept:** Lithography

AI Description: A printmaking process using a flat stone or metal plate and greasy drawing materials

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Lithography stones

AI Description: Stones used as printing surfaces in the lithography process

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Living

1. **AI Concept:** Living images

AI Description: Treating images as dynamic and capable of change

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Local

1. **AI Concept:** Local Portuguese stones

AI Description: Stones sourced from Portugal used as the printing surface in lithography

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Marble

1. **AI Concept:** Marble

AI Description: A metamorphic rock from Alentejo, prized for color and structure

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Materials

1. **AI Concept:** Light as material and subject

AI Description: Light is both the medium used and the focus of the artwork

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Materials and methods

AI Description: The physical tools and creative processes used in art

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Media

1. **AI Concept:** Philosophical Media project

AI Description: A research initiative supporting the artwork

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Mediation

1. **AI Concept:** Mediation

AI Description: The process of connecting or negotiating between different cultures or identities

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Memory

1. **AI Concept:** Interaction of time and memory

AI Description: How the passage of time affects the way memories are formed and recalled

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Memory

AI Description: The preservation and expression of past experiences

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Memory

AI Description: Photographs help children remember and reflect on their experiences

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Methodological

1. **AI Concept:** Methodological Deviations

AI Description: Departures from standard research methods to explore alternative approaches.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Methods

1. **AI Concept:** Traditional lithographic methods

AI Description: Established techniques and practices in lithography respected and maintained

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Materials and methods

AI Description: The physical tools and creative processes used in art

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Unconventional Research Methods

AI Description: Experimental or non-traditional ways of exploring ideas

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Migration

1. **AI Concept:** Migration

AI Description: The movement of people across borders, influencing identity and culture

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Modern

1. **AI Concept:** Modern adaptation

AI Description: Updating traditional tools or methods to suit current needs and technologies

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Non

1. **AI Concept:** Non-linear Processes

AI Description: Methods or developments that do not follow a straight, predictable path, allowing for unexpected outcomes.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Non-linear creativity

AI Description: Creative processes that do not follow a straight or predictable path

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Non-linear creativity

AI Description: Creative processes that do not follow a straight or predictable path

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

4. **AI Concept:** Non-linear Thinking

AI Description: Approaching problems in a flexible, non-sequential way

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Objective

1. **AI Concept:** Blurring personal and objective

AI Description: Mixing personal feelings with factual information

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Objective and subjective

AI Description: The distinction between factual observation and personal interpretation in art.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop:*

Artistic Research & Collective Intelligence. Retrieved at [this link](#).

Lemma: Observation

1. **AI Concept:** Observation

AI Description: Children pay close attention to details in their environment

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Paths

1. **AI Concept:** Lateral Paths

AI Description: Indirect or unconventional routes taken to solve problems or generate ideas.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Philosophical

1. **AI Concept:** Philosophical Media project

AI Description: A research initiative supporting the artwork

Source: Manguera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Photo

1. **AI Concept:** Photo-installations

AI Description: Artworks that use photographs arranged in a physical space

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Photography

1. **AI Concept:** Post-photography

AI Description: New forms of photography that go beyond traditional methods and definitions

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP*

Workshop: Artistic Research & Collective Intelligence. Retrieved at [this link](#).

2. **AI Concept:** Photography

AI Description: Cameras are used as tools to capture interesting moments and sights

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Political

1. **AI Concept:** Political aspects of teaching

AI Description: The influence of politics on educators' daily lives

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Political space

AI Description: An area or context where power, identity, and resistance are negotiated

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Portable

1. **AI Concept:** Portable presses

AI Description: Lithographic printing presses designed to be easily moved and used outside traditional studios

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Portuguese

1. **AI Concept:** Local Portuguese stones

AI Description: Stones sourced from Portugal used as the printing surface in lithography

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Former Portuguese colonies

AI Description: Countries like Cape Verde and Brazil with historical ties to Portugal

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Post

1. **AI Concept:** Post-photography

AI Description: New forms of photography that go beyond traditional methods and definitions

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Post-migrant

AI Description: A person or community living in a place after migrating from another country

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Project

1. **AI Concept:** Philosophical Media project

AI Description: A research initiative supporting the artwork

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Enacting Artistic Research Project

AI Description: A program focused on putting artistic research into practice

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Reinvigoration

1. **AI Concept:** Reinvigoration of profession

AI Description: Renewing energy and purpose in teaching visual arts

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Resistance

1. **AI Concept:** Teacher resistance

AI Description: Actions by educators to oppose or challenge difficult conditions

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Resistance

AI Description: Acts or attitudes that challenge dominant norms or structures

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Results

1. **AI Concept:** Unexpected Results

AI Description: Outcomes that are surprising or not planned

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Role

1. **AI Concept:** Role of images in memory

AI Description: How visual representations influence what and how we remember

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Rome

1. **AI Concept:** Academy of Fine Arts in Rome

AI Description: An educational institution organizing the event

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Sem

1. **AI Concept:** Atelier Sem Forma

AI Description: The studio where the exhibition and research were developed

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Sensory

1. **AI Concept:** Sensory experiences

AI Description: Engaging the senses, such as sight and sound, in the artwork

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Shared

1. **AI Concept:** Shared space

AI Description: The mental or emotional environment where artist and subject meet.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Slowing

1. **AI Concept:** Slowing down experience

AI Description: Encouraging viewers to take more time with images

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Som

1. **AI Concept:** Som Flores

AI Description: The music production name used by Tiago Aires Lêdo

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Sound

1. **AI Concept:** Sound and performance art

AI Description: Artistic practices involving live sound and actions

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Stone

1. **AI Concept:** Local Portuguese stones

AI Description: Stones sourced from Portugal used as the printing surface in lithography

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Stone classification

AI Description: Grouping stones based on age and geological features

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Sustainable

1. **AI Concept:** Sustainable practices

AI Description: Creating art with environmental responsibility

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Symbolic

1. **AI Concept:** Symbolic space

AI Description: A place or concept that represents larger ideas or meanings

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Tea

1. **AI Concept:** Tea ceremony inspiration

AI Description: Drawing from the calm and ritual of traditional tea ceremonies

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Teacher

1. **AI Concept:** Teacher protests 2020–2024

AI Description: Real-life demonstrations by art teachers for better conditions

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Temporary

1. **AI Concept:** Temporary visual compositions

AI Description: The artwork creates short-lived, unique visual arrangements

Source: Manguera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Theory

1. **AI Concept:** Theory and practice

AI Description: Connecting conceptual ideas with hands-on artistic work

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Thinking

1. **AI Concept:** Non-linear Thinking

AI Description: Approaching problems in a flexible, non-sequential way

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Time

1. **AI Concept:** Interaction of time and memory

AI Description: How the passage of time affects the way memories are formed and recalled

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Time and focus

AI Description: The sustained attention and concentration required during the drawing process.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Traditional

1. **AI Concept:** Traditional lithographic methods

AI Description: Established techniques and practices in lithography respected and maintained

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Transdisciplinary

1. **AI Concept:** Transdisciplinary process

AI Description: Combining methods from various fields to create new insights

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Unconventional

1. **AI Concept:** Unconventional Research Methods

AI Description: Experimental or non-traditional ways of exploring ideas

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Unexpected

1. **AI Concept:** Unexpected outcomes

AI Description: Results that are surprising or not planned in advance

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Unexpected outcomes

AI Description: Results that are surprising or not planned

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Unexpected Results

AI Description: Outcomes that are surprising or not planned

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Unforeseen

1. **AI Concept:** Unforeseen Configurations

AI Description: Unexpected arrangements or outcomes that arise during creative or research

processes.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Unstable

1. **AI Concept:** Unstable memory images

AI Description: Visual representations of memories that are shifting or unclear

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Volcanic

1. **AI Concept:** Volcanic stone

AI Description: Rock formed from cooled lava or volcanic activity

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: Zone

1. **AI Concept:** Interstitial Zone

AI Description: A space between defined areas where new ideas or forms can emerge.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Zone of potential

AI Description: An area where new and undefined possibilities can emerge

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: activism

1. **AI Concept:** Art educators' activism

AI Description: Teachers using art to advocate for change

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In

FBAUP Workshop: Artistic Research & Collective Intelligence. Retrieved at [this link](#).

Lemma: adaptation

1. **AI Concept:** Modern adaptation

AI Description: Updating traditional tools or methods to suit current needs and technologies

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: approaches

1. **AI Concept:** Alternative approaches

AI Description: Different or unconventional methods used in research or art

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Alternative approaches

AI Description: Different or unconventional methods for exploring ideas

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: archive

1. **AI Concept:** Body as archive

AI Description: The idea that the human body holds and expresses personal and collective histories

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: art

1. **AI Concept:** Sound and performance art

AI Description: Artistic practices involving live sound and actions

Source: Mangureira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Art educators' activism

AI Description: Teachers using art to advocate for change

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In

FBAUP Workshop: Artistic Research & Collective Intelligence. Retrieved at [this link](#).

3. **AI Concept:** Generative art

AI Description: Art created with the help of algorithms or artificial intelligence

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

4. **AI Concept:** Generative art

AI Description: Art created using algorithms or artificial intelligence

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

5. **AI Concept:** Academy of Fine Arts in Rome

AI Description: An educational institution organizing the event

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

6. **AI Concept:** Contemporary art

AI Description: Art made in the present, often reflecting current issues and ideas

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

7. **AI Concept:** Empathy in art

AI Description: The artist's ability to emotionally connect with the subject.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: aspects

1. **AI Concept:** Political aspects of teaching

AI Description: The influence of politics on educators' daily lives

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: background

1. **AI Concept:** Cultural background

AI Description: The influence of local culture on material use

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In

FBAUP Workshop: Artistic Research & Collective Intelligence. Retrieved at [this link](#).

Lemma: ceremony

1. **AI Concept:** Tea ceremony inspiration

AI Description: Drawing from the calm and ritual of traditional tea ceremonies

Source: [Mangueira, C.](#) (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: classification

1. **AI Concept:** Stone classification

AI Description: Grouping stones based on age and geological features

Source: [Silva, A.](#) (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: colonies

1. **AI Concept:** Former Portuguese colonies

AI Description: Countries like Cape Verde and Brazil with historical ties to Portugal

Source: [Moés, T.](#) (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: commentary

1. **AI Concept:** Creative practice as commentary

AI Description: Making art that responds to and critiques society

Source: [Casais, C.](#) (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: compositions

1. **AI Concept:** Temporary visual compositions

AI Description: The artwork creates short-lived, unique visual arrangements

Source: [Mangueira, C.](#) (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory

Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: creation

1. **AI Concept:** Vulnerability in creation

AI Description: The openness and sensitivity experienced by the artist during the act of drawing.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: educators

1. **AI Concept:** Art educators' activism

AI Description: Teachers using art to advocate for change

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: embroideries

1. **AI Concept:** Drawings, linocuts, embroideries

AI Description: Artistic techniques used to express ideas and experiences

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: engaged

1. **AI Concept:** Politically engaged practices

AI Description: Art that addresses social or political issues

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: environments

1. **AI Concept:** Immersive environments

AI Description: Artworks that surround and involve the viewer

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory

Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: experience

1. **AI Concept:** Sensory experiences

AI Description: Engaging the senses, such as sight and sound, in the artwork

Source: [Mangueira, C.](#) (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Slowing down experience

AI Description: Encouraging viewers to take more time with images

Source: [Frois, F.](#) (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: focus

1. **AI Concept:** Time and focus

AI Description: The sustained attention and concentration required during the drawing process.

Source: [Moés, T.](#) (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: group

1. **AI Concept:** iLudens group

AI Description: A collective involved in supporting or collaborating on the project

Source: [Mangueira, C.](#) (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: heritage

1. **AI Concept:** Dual heritage

AI Description: Having ancestry from two different cultural or national backgrounds

Source: [Moradalizadeh, R.](#) (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: history

1. **AI Concept:** Community histories

AI Description: Shared stories and experiences of a group of people

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Industrial history

AI Description: The historical use of materials in local industries

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: iLudens

1. **AI Concept:** iLudens group

AI Description: A collective involved in supporting or collaborating on the project

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: identities

1. **AI Concept:** In-between identities

AI Description: Identities formed in the space between different cultures or backgrounds

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: images

1. **AI Concept:** Role of images in memory

AI Description: How visual representations influence what and how we remember

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: importance

1. **AI Concept:** Cultural importance

AI Description: The significance of materials in local traditions and heritage

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In

FBAUP Workshop: Artistic Research & Collective Intelligence. Retrieved at [this link](#).

Lemma: inspiration

1. **AI Concept:** Tea ceremony inspiration

AI Description: Drawing from the calm and ritual of traditional tea ceremonies

Source: [Mangueira, C.](#) (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: installations

1. **AI Concept:** Photo-installations

AI Description: Artworks that use photographs arranged in a physical space

Source: [Frois, F.](#) (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: laboratory

1. **AI Concept:** Time laboratory

AI Description: An experimental process combining different disciplines to study time and memory

Source: [Frois, F.](#) (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: linear

1. **AI Concept:** Non-linear Processes

AI Description: Methods or developments that do not follow a straight, predictable path, allowing for unexpected outcomes.

Source: [Guidi, A.](#), [Di Geronimo, V.](#), [Pozzi, D.](#) (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Non-linear creativity

AI Description: Creative processes that do not follow a straight or predictable path

Source: [Silva, M.](#) (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Non-linear creativity

AI Description: Creative processes that do not follow a straight or predictable path

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

4. **AI Concept:** Non-linear Thinking

AI Description: Approaching problems in a flexible, non-sequential way

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: linocuts,

1. **AI Concept:** Drawings, linocuts, embroideries

AI Description: Artistic techniques used to express ideas and experiences

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: lithographic

1. **AI Concept:** Traditional lithographic methods

AI Description: Established techniques and practices in lithography respected and maintained

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: mapping

1. **AI Concept:** Personal mapping

AI Description: Each child forms their own mental map of the city based on experience

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: migrant

1. **AI Concept:** Post-migrant

AI Description: A person or community living in a place after migrating from another country

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: mothers

1. **AI Concept:** Immigrant mothers

AI Description: Women who have moved to Portugal from other countries

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: music

1. **AI Concept:** Educational music projects

AI Description: Initiatives to teach or promote music

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: object

1. **AI Concept:** Interactive art object

AI Description: An artwork designed for audience engagement and participation

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: outcomes

1. **AI Concept:** Unexpected outcomes

AI Description: Results that are surprising or not planned in advance

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Unexpected outcomes

AI Description: Results that are surprising or not planned

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: paced

1. **AI Concept:** Fast-paced society

AI Description: A culture where events and information move quickly, affecting memory

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: participation

1. **AI Concept:** Audience participation

AI Description: Viewers are invited to interact with and influence the artwork

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: performance

1. **AI Concept:** Sound and performance art

AI Description: Artistic practices involving live sound and actions

Source: Mangueira, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: personal

1. **AI Concept:** Personal memories

AI Description: Individual experiences and recollections represented in art

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Personal mapping

AI Description: Each child forms their own mental map of the city based on experience

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Blurring personal and objective

AI Description: Mixing personal feelings with factual information

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: place

1. **AI Concept:** Relationship with place

AI Description: Repeated walks build a strong, meaningful connection to the local area

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: potential

1. **AI Concept:** Zone of potential

AI Description: An area where new and undefined possibilities can emerge

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: power

1. **AI Concept:** Beyond social power

AI Description: The idea that drawing can reveal truths that are not influenced by societal hierarchies or roles.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: practice

1. **AI Concept:** Politically engaged practices

AI Description: Art that addresses social or political issues

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Creative practice as commentary

AI Description: Making art that responds to and critiques society

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. **AI Concept:** Theory and practice

AI Description: Connecting conceptual ideas with hands-on artistic work

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: presses

1. **AI Concept:** Portable presses

AI Description: Lithographic printing presses designed to be easily moved and used outside traditional studios

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: printing

1. **AI Concept:** On-site printing

AI Description: Creating lithographs directly at the quarry where the stone is found

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: process

1. **AI Concept:** Non-linear Processes

AI Description: Methods or developments that do not follow a straight, predictable path, allowing for unexpected outcomes.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Transdisciplinary process

AI Description: Combining methods from various fields to create new insights

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: profession

1. **AI Concept:** Reinvigoration of profession

AI Description: Renewing energy and purpose in teaching visual arts

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: protests

1. **AI Concept:** Teacher protests 2020–2024

AI Description: Real-life demonstrations by art teachers for better conditions

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: reflection

1. **AI Concept:** Art as reflection

AI Description: Using creative work to think about and represent real-life issues

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Critical reflection

AI Description: Thoughtful analysis and questioning of artistic methods and outcomes

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: relationship

1. **AI Concept:** Relationship with place

AI Description: Repeated walks build a strong, meaningful connection to the local area

Source: Santos, S. (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Artist-subject relationship

AI Description: The close, interactive connection formed between the artist and what is being observed.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: research

1. **AI Concept:** Artistic Research

AI Description: Inquiry and exploration within the arts to generate new knowledge or understanding.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. **AI Concept:** Enacting Artistic Research

AI Description: A project focused on putting artistic research methods into practice

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop:*

Artistic Research & Collective Intelligence. Retrieved at [this link](#).

3. **AI Concept:** Enacting Artistic Research

AI Description: A project focused on putting artistic research into practice

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

4. **AI Concept:** Enacting Artistic Research Project

AI Description: A program focused on putting artistic research into practice

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

5. **AI Concept:** Drawing as research

AI Description: Using drawing to investigate and understand experiences

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: residency

1. **AI Concept:** Artist residency

AI Description: A period where an artist develops work in a supportive environment

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: ria

1. **AI Concept:** Fúria de Boi

AI Description: A collective or group co-founded by Tiago Aires Lêdo

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: separation

1. **AI Concept:** Belonging and separation

AI Description: Feeling both part of and apart from a new place

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: shale

1. **AI Concept:** Black shale

AI Description: A dark, fine-grained sedimentary rock found in Valongo

Source: Silva, A. (2025). AI Title: Portuguese Stones for Lithography from Fieldwork to Classification. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: significance

1. **AI Concept:** Cultural significance

AI Description: The meaning and value of the stones within Portuguese culture

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: site

1. **AI Concept:** On-site printing

AI Description: Creating lithographs directly at the quarry where the stone is found

Source: Silva, A. (2025). AI Title: Portable Lithography Using Local Portuguese Stones. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: social

1. **AI Concept:** Beyond social power

AI Description: The idea that drawing can reveal truths that are not influenced by societal hierarchies or roles.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: society

1. **AI Concept:** Fast-paced society

AI Description: A culture where events and information move quickly, affecting memory

Source: Frois, F. (2025). AI Title: Post Photography and Memory in Contemporary Society. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: space

1. AI Concept: Discussion Space

AI Description: An environment designed for open exchange of ideas and reflections.

Source: Guidi, A., Di Geronimo, V., Pozzi, D. (2025). AI Title: Artistic Research and Collective Intelligence Workshop - FBAUP. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. AI Concept: Latent space

AI Description: An area of potential ideas or knowledge that is not yet defined or visible

Source: Silva, M. (2025). AI Title: Latent Space in Artistic Research Methods. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

3. AI Concept: Latent space

AI Description: A zone of hidden or potential possibilities where new ideas can form

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

4. AI Concept: Latent Space

AI Description: An undefined area where new ideas and possibilities can emerge

Source: Cunha, P. (2025). AI Title: Exploring Latent Space in Artistic Research. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

5. AI Concept: Political space

AI Description: An area or context where power, identity, and resistance are negotiated

Source: Moradalizadeh, R. (2025). AI Title: Body as Living Archive in Diasporic Art. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

6. AI Concept: Shared space

AI Description: The mental or emotional environment where artist and subject meet.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: subject

1. AI Concept: Light as material and subject

AI Description: Light is both the medium used and the focus of the artwork

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

2. AI Concept: Artist-subject relationship

AI Description: The close, interactive connection formed between the artist and what is being observed.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: subjective

1. **AI Concept:** Objective and subjective

AI Description: The distinction between factual observation and personal interpretation in art.

Source: Moés, T. (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: teaching

1. **AI Concept:** Political aspects of teaching

AI Description: The influence of politics on educators' daily lives

Source: Casais, C. (2025). AI Title: Art Educator Activism Through Drawing Print and Embroidery. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: technology

1. **AI Concept:** Art and technology

AI Description: The combination of artistic practice with technological tools

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: visual

1. **AI Concept:** Temporary visual compositions

AI Description: The artwork creates short-lived, unique visual arrangements

Source: Manguiera, C. (2025). AI Title: Interactive Light Installation Exploring Participation and Sensory Experience. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: vulnerability

1. **AI Concept:** Vulnerability

AI Description: Allowing openness and emotional honesty in the research process

Source: Moés, T. (2025). AI Title: Drawing the Experiences of Immigrant Mothers in Portugal. In *FBAUP*

Workshop: Artistic Research & Collective Intelligence. Retrieved at [this link](#).

2. **AI Concept:** Human vulnerability

AI Description: The exposure of basic human emotions and fragility through artistic interaction.

Source: [Moés, T.](#) (2025). AI Title: Empathy and Vulnerability in the Act of Drawing. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).

Lemma: walks

1. **AI Concept:** Exploration walks

AI Description: Children and adults regularly walk together to explore their local environment

Source: [Santos, S.](#) (2025). AI Title: Children Exploring the City Through Photography. In *FBAUP Workshop: Artistic Research & Collective Intelligence*. Retrieved at [this link](#).
