Profile

Co-founder Arthropology, a production company specializing in installation art and experimental film. Our work focuses on global sociological issues, aiming to create a better understanding of the commonalities of human experience and existence rather than the differences.

Experience

CO-FOUNDER, ARTHROPOLOGY, VALENCIA, SPAIN – 2012-PRESENT

In charge of production development, especially conceptually in the early stages.
Producer for film projects.

MEMBER, EVOLUTION ARTS COLLECTIVE, MADISON, WI, USA – 2009 - 2012

Evolution is an artists space on the east side of Madison, WI which provides both work and exhibition space for members.

ADMIN, WINDSWIMMERS, MADISON, WI, USA – 2005 - 2009

In charge of web presence and sales.

RESEARCHER/EDITOR, PRIMATES INC., MADISON, WI, USA - 2005 - 2009

Primates Inc. find homes for retired research primates. As a researcher/editor I worked on a variety of fundraising initiatives, mostly finding and contacting local businesses, and compiling databases.

RESEARCHER/EDITOR, WOMEN [slaw.org](http://womenslaw.org), NYC, NY, USA - 2005 - 2009

womenslaw.org is an online information clearing house for the victims of domestic violence. As a researcher and editor I checked the validity of various resources to make sure that they were still viable and available, as well as finding new ones.

WEB DEVELOPER, MADISON, WI, USA – 2004 - 2005

Designed web sites for individual and corporate clients.

Education

Academy of Art University, San Francisco, CA USA - MFA Fine Art: Painting

University of Wales, Lampeter, UK - MA Celtic Studies
