

Only LARP can save VR!

A call to arms from an artistic research project, by Josephine Rydberg

Immersive VR

The kind where you walk with your feet,
not your keyboard.

Some social VR spaces:

mozilla hubs

altspace vr

VRchat

Psst, we have issues!

A NICE EVENING WITH THE FAMILY

메타 서울

- ◇ Embodied and spatial experience
- ◇ Over the distance –minus screen fatigue
- ◇ Easy-peasy opt out
- ◇ Also, we can be unicorns

VR needs U!
