

A GOOD DAY - 9

VERSE1

Your voice is like
a breeze in my ear
Your graceful touch
reminds me why I'm here

BRIDGE

In your world
You feel when it's right or wrong
and it shows
when you really want me in it
And you want me - right now
so let me come out and say it

VERSE2

What I wanna say
Is how can I be true
You light my day
I'm so in love with you

CHORUS

Here we are
so lets go
life would be so much better with you by my side
this' all building to something

all I want is for you and me to live out the dreams that we share
and one day we can make our life into what we both dream of
today
That will be a good day

VERSE3

Your eyes they shine
like early morning dew
Your hair it flows
like waves upon the shore
