

Breathing together

1.2.

a diffracted presence
emerges
temporality collapses
skinning the words
skins

transpire the words absorb my
skin through every pore breathe

a dilatation of selves

2.2.

a drop
let
of
words
~~fingers~~
leaves
flesh
apart

a drop
let of
words
leaves
flesh
a
part

searching for
continuity

fingers
skin

a
loop
downside

my body cells wide

w I d e n s s t I l l

3.2.

in the midst of
from the middle

my tune
a tune
attune

a tune in the middle of
from
a where?
shift

from a shift
a place of shift i we tune

in
full
*the moon tearing my
dreams apart
pulling words
from the middle of*

a
tune
in between
