

Derive: The experience, I cannot repeat in the same way.  
It is unique to individual's own time and individual itself.

□ → a moving body.  
a mental map  
• Instead of moving alone, the experience can be shared to become a community.

• alone → individual score / mental map → combine  
• together → common score  
→ separate → combine

### Tasks

- \* Take a photograph - trace -
- \* A short + note-taking.
- \* Propose a score in public space.
- \* Is there any interesting situation?
- \* What is the beginning and the ending?
- \* What drives you?
- \* Is there any objects or collect?

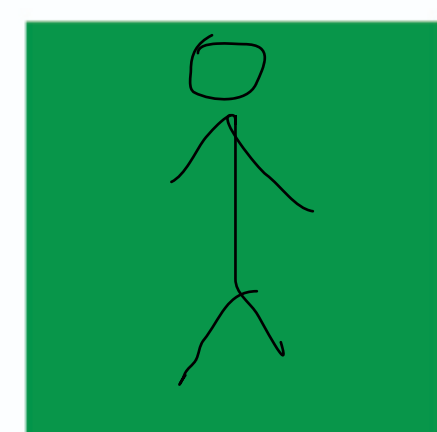

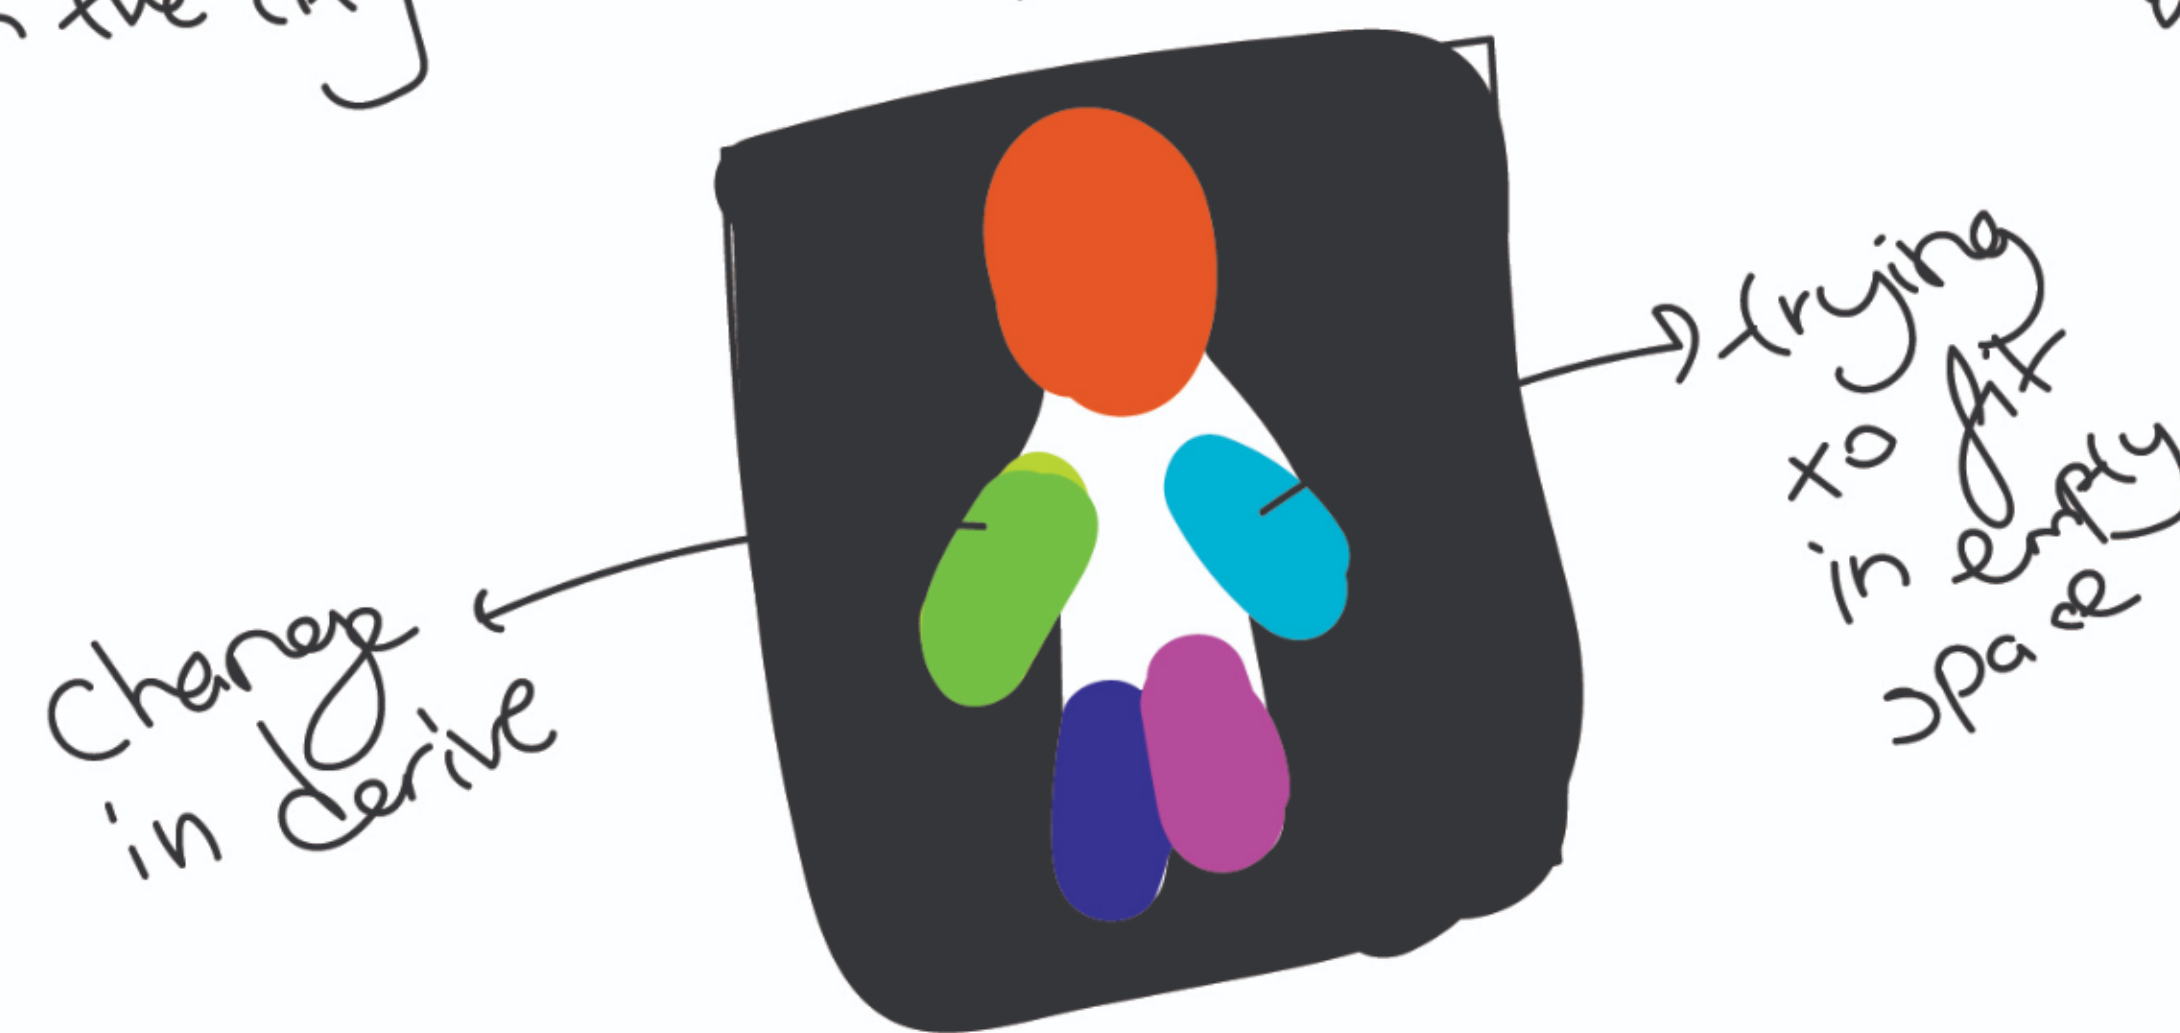

Audience is ourselves.
