

Questions about workshop 20.01.2025

Here are some questions about the workshop on January 20. The last two questions are about the project in general.

1. How did you feel the workshop went?

2. Do you think the plan we had for the workshop worked for this group? (layout, exercises, etc.)

3. How did you feel the audience reacted?

4. Do you have any special moments that are worth mentioning?

5. Do you have anything to say about the musical and artistic aspects of the workshop?

6. General project: What do you feel you have gained from this project?

7. General project: What is the most important thing this project has given you?
