What your council tax pays for

Find out more about what your council tax pays for in our council tax booklet available online at www.islington.gov.uk/counciltaxbooklet. Contact us to request a paper copy.

Tell us about a change in your circumstances

Please visit www.islington.gov.uk/counciltax to let us know of any change in circumstances that you think may affect your council tax bills, these must be reported within 21 days of taking place. If you want to claim a Single Persons Discount tell us immediately. We will be unable to award your discount if the date you are claiming from is too far in the past and there is not enough evidence to support your claim. If you are claiming Council Tax Support you must let us know if, for example, you start work, your income goes up or down, or people leave or join your household. You may be liable for prosecution if you do not tell us.

How your Council Tax Support (CTS) was worked out

We calculated your CTS by comparing your income, after any discounts or exemptions, to your charge for the period. We also considered the circumstances of any other people that live in your household. Any CTS you are awarded will be credited to your council tax account. Any CTS you've been overpaid will be debited from your council tax account. If you want to know about the way CTS was worked out for you, write to us within 4 weeks of the date of this bill. **Please do not email.**

What to do if you think the decision about your CTS is wrong?

Write to us explaining why you think it is wrong. If we decide that it is wrong we will send you a new bill, if we don't, we will respond explaining why. If this is the case and you wish to appeal our decision or you don't hear back from us within two months, you have another two months to appeal to the Valuation Tribunal Service by calling 0300 123 2035 where a final decision can be made. **You must continue to pay the amounts listed on your bill.**

Struggling to pay? Money advice available at www.islington.gov.uk/moneyadvice

Don't ignore your bills. If you get in touch early we may also be able to help you manage your payments. In certain circumstances you may be able to claim for some support from the Resident Support Scheme at <https://www.islington.gov.uk/advice/resident-support-scheme>

You can request to pay your council tax in 12 monthly instalments by calling us on **020 7527 2633**.

If you rent your property be aware that you will be liable for council tax until the last day of your tenancy agreement, even if you move out of the property at an earlier date.

* Increase in council tax to fund Adult Social Care

The council tax attributable to Islington includes a precept to fund adult social care. For adult social care authorities, council tax demand notices show two percentage changes: one for the part of the overall change attributable to the adult social care precept, and one for the part attributable to general expenditure.
