

THERE IS A CERTAIN
NUMBER OF
PICKING UP OF BOOKS,

TAKING OF BREATHS

NECESSARY

ARE YOU AMOUNTING
TO SOMETHING, SON?

WHY DOES EVERYBODY

THINK THIS IS FATHER
SPEAKING?

IRON WOMB.

the music is calm

but I feel scared

I need to smoke

I want to do more with my life

I want my anxiety to go away

I don't really know what to write. This entire experience makes me feel kind of empty inside. I don't know what to think about anything, the takeover with the dresscode and all removes my ~~identity~~ identity. I don't ~~feel~~ feel like an individual person anymore, I'm just one of the many.

The most strange thing must be that such a familiar environment is suddenly changed into something completely different. I'm used to this being a safe comfort zone where things are always

the same. At the same time
it's somewhat relaxing

My poetic self is something that's
everywhere at the same time,
~~what~~ that you can't really say
what's ~~special~~ special about it

It felt real and near.

Like I was here with my
whole body, feeling my
surroundings.

I appreciated the things

I normally want, the things

I normally take for granted.

My body is burning
up inside. I can't
breathe. I feel the
death is coming but
still so alive. I will
always be how I
am, burning and burning.
My Best love like
lava from a volcano

When my lungs I
keep fighting for
her best work. but
I never feel more
alive than I do
Now.

- Secret

My body are fighting.

fighting for it's

Survival. No one can

say to me what's

right. Like the moon

are shining from

the sun my body and

mind are fight for living

The blood are pumping

through my veins fast and

Worm and no one
can stop me from
it. I am the
Secret and my
body are a way
of living

-The Secrets

Are you growing poetry
on your tree, poet?

And you want mine, too?

I hope it's not a waste
of its branch.

I get annoyed by your ^{it's not}
wrong questions. No, your
question is, but my answers

I have a challenge for
you: ask me a question
so that I fall in love with
my answer.

I'm actually asking you to
take this challenge. To feel loved.
To be seen.

- time for introduction

- time to sink into it
