# Elsa Land

**(2019) Sovereign land, given back its inherent rights to itself, through an agreement for change of legal identity.**

**Lina Persson**

A lands inherent rights acknowledged through an agreement document. The document is signed with land, previously owned by me. Elsa-land has been an important teacher and collaborator of mine since 2013. The document have been developed with generous feedback from lawyer Pia Björkstrand, Carmen Blanco Valer and the Global Alliance for the Rights of Nature. The document is free to use for anyone who wishes to make such agreements with land.
