

Diffracting The Copenhagen Interpretation

SCORE

Non-Local Walks / Collecting Objects

Date: September 4, 2024

Time: 15h15 (CET) / 10h15 (BRT)

Locations: Sao Paulo, Basel, Malmö, Copenhagen

Preparations: Use a GPS-based tracking app to track the route, pace, elevation, and distance of your walk. Agree on a time and duration of your walk.

Participants: Amilcar Packer, Yelena Guryanova, Carla Zaccagnini, Søren Kjærgaard

00'00 Start tracking your walk.
Pick up 10 objects along your walk. When an object is touched, it must be picked up. Photograph the object in the position and context in which you found it.

45'00 End of walk.

Post processing: Experiment with different ways of assembling the objects and/or the documentation (photo, tracking, etc.)
