

Rhetorical figures from Wilhelm Larsson

1

Empathetic, pedagogic, explaining (using large intervals)

2

Humorous (using large intervals)

3

Finishing a phrase, coming to a conclusion (descending pitch)

4

Expressing negative emotions (a large pitch drop)

1

Imitating other voices (using different voice registers)

2

Hesitation noise (often close in pitch)

1

Giving stress by staccato (leading to a longer, stressed, note)

2

Giving stress by a short silence (leading to a longer, stressed note)

Clearing the throat

Breathing sounds
