

Disse 39 mjuke nøklene presenteres som en del Åsmund Soldals
masteroppgave *Trumbemusikken kann reisast att* (2025).

The image displays 39 individual musical notation snippets, each enclosed in a white rounded rectangle with a subtle drop shadow. These snippets are arranged in a grid-like fashion across the page. Each snippet represents a short musical phrase, typically written on a five-line staff. The notation includes various musical symbols such as eighth notes, quarter notes, and rests. Many of the snippets feature triplet markings (the number '3' above a group of notes) and repeat signs (double vertical lines with dots). The snippets are organized into five columns: the first four columns contain 10 snippets each, while the fifth column contains 9 snippets. The musical phrases vary in complexity, with some being simple single-note patterns and others involving more intricate rhythmic figures and triplets.
