

not yet places as such — digitized points on a SCREEN

images
on a hand-held
screen

held in the rain
and wind

by

a

chilled

hand

show

locations

before

us

vague

points

in

this

industrialized

forest

terrain

points
that
have
lain

beyond
rekening

become
inscrutable

points
of
potential

shadows

become

targets

become

glimmers

and

words

points
connected on the *ground*
imaged from above

but not *places* yet

having long
since

retreated
from memory and history

Knapdale Forest

Edinburgh
