SHORT BIO

Visual artist, and curator; Nicolina Stylianou showcased in different performance art festivals, group exhibitions and participated in residencies since 2013. She is the founder and the main curator at SENSORIUM SPACE, which has hosted international and national, established and emerging artists, thinkers, and researchers. Nicolina is currently doing her MA degree in Live Arts and Performance Studies at the University of the Arts Helsinki, through a BA background in Art and Design. She has actively participated with her performance in festivals in the US: Chicago and in Europe: Germany, Greece, Cyprus, France, Finland, and United Kingdom; whilst curated, co-curated and assisted around Europe: Cyprus, Finland, and Italy. Nicolina will soon travel to Asia to perform with her sound sculptures.
