

Convocation II – Sensing making senses – practice sharing session proposed by Delphine Chapuis Schmitz and Ines Marita Schaerer – Vienna, Oct. 5. 2023

The following score was read aloud by Ines Marita Schaerer during the sensing sequence of the practice sharing session.

Ines paced the space while reading in a soft voice, let the words resonate, made room for the density of sounds in between we are used to call silence.

The score can be re-activated in a situation of your choice, with the repetitions and variations you feel appropriate.
