Regurgitated Perspectives

A Sermon
A Wake
A Communion
A Hymn

Taivas on sininen ja valkoinen

1. The sky is a-blue and the sky is a-white
and the sky is filled with starlight;,
So my young heart's filled with wonder
filled with looming sorrow;,:
2. Don't ask me how to do things with performance
nor with artistic research;,
Only the woods and the sky's bright brilliance
will fill my heart with ideas;,:
3. Artistic research may eat itself
and the world will barely notice;,:
Performers all, we'll stand united
and guarantee art matters;,:
