

«Treet» er inspirert av Lean-filosofi, Detter er Lean av Nicolas Modig. Klipp ut, brett, fyll blomsterpotten med sand eller lignende, plasser treet i blomsterpotten.

ET VAKKERT TRE* PART I

A BEAUTIFUL TREE* PART I

The “Tree” is inspired by Lean philosophy. This is Lean by Nicolas Modig. Cut, fold, fill the flowerpot with sand or the like, put the tree in the flowerpot.

Tre er en metafor for gruppearbeidet. Husk å følgje med på trivselen til treet, og å gjødsle ved behov.

The tree is a metaphor for the teamwork. Remember to keep an eye on the tree, and to give the tree fertilizer when needed.

ET VAKKERT TRE* PART II

A BEAUTIFUL TREE* PART II

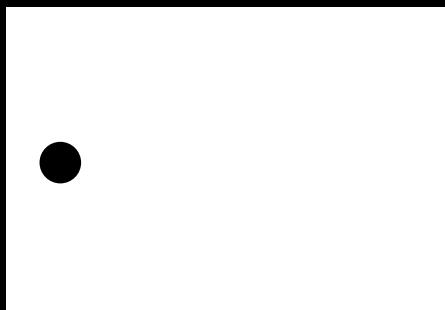

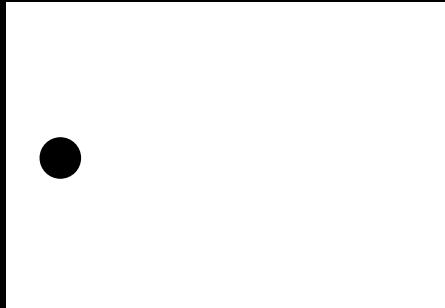

Hvordan ser en vakkert tre ut?
How does a beautiful three look like?

Hvilke beslutninger har du tatt i dag, som har gjort treet vakrere?
What decisions have you made today to make your three more beautiful?

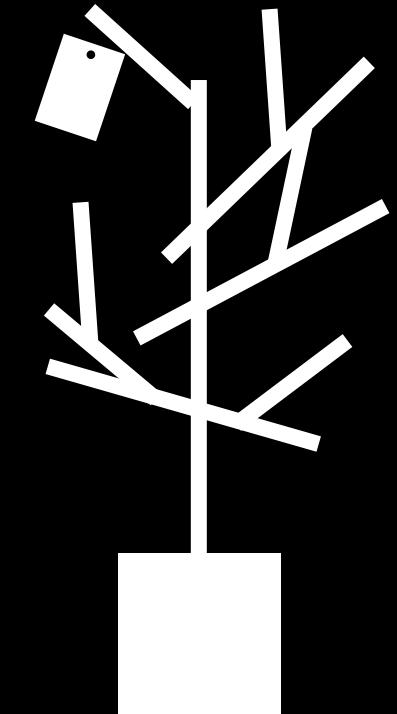

Hvilke beslutninger har du tatt i dag, som skader treet?
What kind of decisions have you made today, that hurts your three?

A. NASJONALITET. NATIONALITY.

B. NAVN/NAME

C. TRENGER FOR Å VOKSE/NEED TO GROW:

MISTRIVES MED / DISLIKE:

Put the flag (A), the name-label (B) and the description of how to make the tree grow (C) into the soil.
