Dear Ms Nigianni

**General Data Protection Regulation Data Protection Act 2018 – Subject Access Request**

**Our Ref: SAR22006 Panagiota Nigianni to Zoe Panagiota Nigianni**

Thank you for your email.

The Barts NHS Trust is a separate organisation to Camden Council.

We have carried out extensive searches from several departments – Council Tax, Housing Benefits, Adult Social care (for any disability records in your name) Housing, Children's Schools & Families, databases and the Council does not hold any data relating to yourself on any of these systems.

We do not report issues on behalf of non-Camden residents, this is matter you will have to do, you will have to contact and report this to the police yourself.

I am sorry we are unable to assist you any further, I believe that with this email and your previous communication with Camden has been exhausted and so please accept this letter as my final response.

**Your Rights:**

We need to tell you that you may have the right to a judicial remedy in respect of your rights. You can also complain to the Information Commissioner's Office (ICO) without charge, at the Information Commissioner's Office. Telephone: 0303 123 1113 , live chat <https://ico.org.uk/global/contact-us/live-chat/> or webform <https://ico.org.uk/global/contact-us/>

However before you do so please contact us at [dpo@camden.gov.uk](mailto:dpo@camden.gov.uk) so the Data Protection Officer can review the matter which will allow an opportunity for an informal and therefore speedier resolution.

Yours sincerely
