Percussive sounds in high register

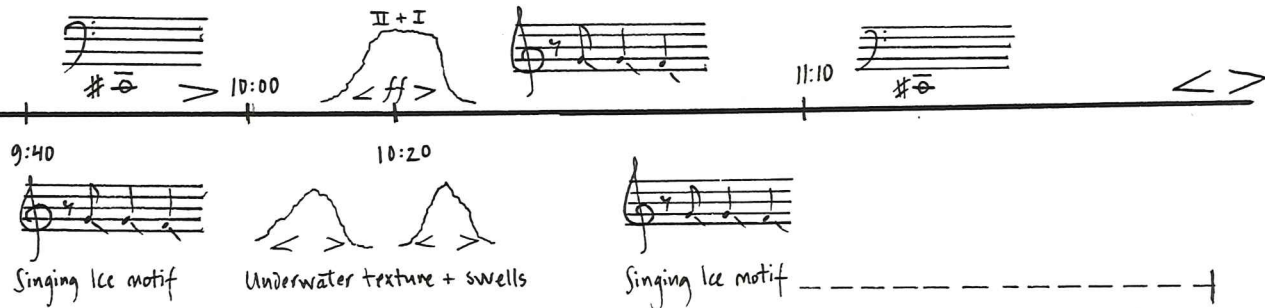

Percussive sounds in high register

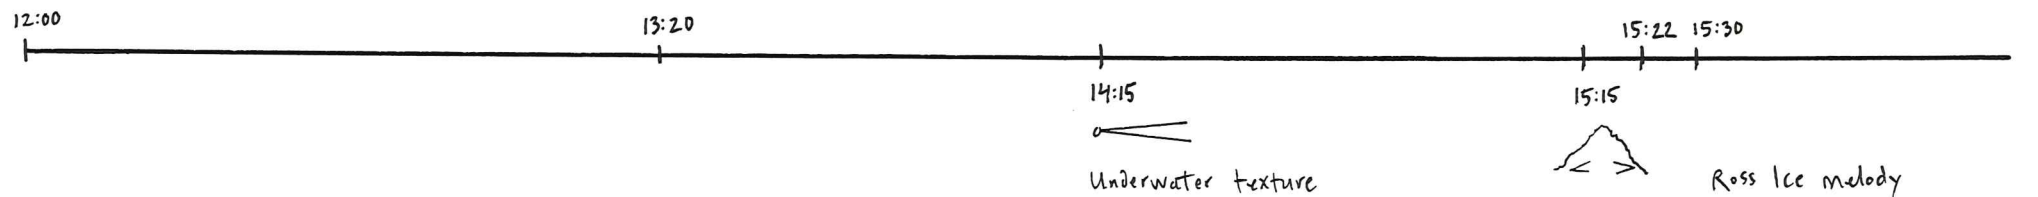

Create 3 swells in pitch register on two strings, using over pressure and slow bow speed. End each swell with grainy circular bow stroke on damped strings.

Bridge 2 first swells in Singing Ice motif, Vary and tape with similar texture add IV at will.

Slow bouncing motifs with silence between. Move from IV to III to II. Create small upward glissandi by changing bow position.

Solo Ross Ice melody fragment

Ross Ice melody in unison with tape

Detune IVth string a 5th or more
until unstable. Play 3-4 swells, vary pitch
through bow pressure. End with tape.
