

SECTION: THE PRESIDENCY

That can get rather tiring after 700

Uh. Tranquility base, can we get both of you on the camera for a minute please ? The preseeident of the united states is in his office now and would like to say a few words to you all over. That would be an honour. go ahead mr president. Hello neil and buzz i'm talking to you via the telephone from the oval office. and it certainly has to be the greatest ub dub dub dub the greatest protocol I've ever made. oh! I just can't tell how proud you all are of what you've achieved and people all over the world this kind of recognising what an interesting this is because the heavens man's world and you talk to us from the sea of tranquility, it inspires us to redouble our efforts to bring peace and traquility to earth. for one priceless moment in the history of man. In one priceless moment, all the people on this earth are truly one. One in their prize of their prayers. Will you return safely to earth.

Thank you Mr President, it's great honour and a great honour for us to be here and be presenting not only united states but this of all nations at a vision of the people an honour for us to participate today and thank you very and I look very forward to seeing you (*THROW SPRAYER*) PSST.
