

Follow Up Questionnaire for "Hornpipe Construction" Session, July Horn Day 2024

A few questions as a follow up to our sessions building and playing 'homemade' Natural horns.

How old are you?

13

How long have you been playing horn for?

3 terms (3/4 of a year)

Have you ever seen or heard a homemade horn like the one you built before? (A horn made from hosepipe and funnel)

no

Have you ever seen or heard a natural horn before? (Metal horn with no valves)

no

Has your horn teacher ever talked about the history of the horn with you in lessons or has it been discussed in a music class?

no

Did you enjoy making your own horn during the session? Did you encounter any difficulties when making them?

yes, i enjoyed it. no, i did not encounter any difficulties, at least none that I can remember.

Did you enjoy playing music with these new horns? Would you have wanted to play more/less on them?

yes, and I am fine with the amount of playing.

Have you played the horn since making it? If yes, what kinds of noises/music have you been experimenting with?

no, as I gave it to my sister and she lost it.

If we were to do another of these sessions would you want to take part? What would you like to add to the session next time?

of course I would want to take part! maybe next time it would be nice to make/get a mouth peice as I used my dad's spare trumpet mouthpeice at home.

Would you want to learn more about the history of the horn in these sessions? Are there any particular things about the horn's history that you would want to learn about?

yes? no.

Thank you for taking part in the session and follow-up questions!

If you have any other feedback, please let me know
