Dear Ms Nigianni,

We have no records of any French insurance company that has been used in four London councils for refugee housing; we will certainly cooperate with the Metropolitan Police should they contact us in the course of their investigation.

Kind regards,

Legal Services

Can you please advise the Metropolitan Police Service about the name of the French insurance company that has been used in four London councils for refugee housing? I do not know the insurance company and the police needs to deal with insurance fraud urgently.

Ms Nigianni
