

is: beautiful, terrifying, honest, perfect and imperfect at the same time, safe and dangerous. Very soon the forest we are creating is open to be experienced by others 😊!

Yours,

P.S: we can discuss this letter later today, even if it is to escape the things we currently have to do today on this bloody Sunday! 😊

Practice as research

Process

↳ role performer vs. choreographer
↳ importance of dialogue

creating reality in poetic actions

↳ process

importance of asking questions

↳ process
