7-8³⁰ Setting up kids sick with. Pi perhaps ready to take train to Linköping.

We argue over children's use of screens.

It's completely out of hand and I'm out of ideas.

9-11 Yoga training.

11-13 Homework with children to catch upon missed school days. Biscuits for lunch.

But some jam from the berries left over.

13-15 TV for kids. I read/write ZDP

P.S. (on the 2022-05-27)

The rest of the day, as far as I can recall, was a foggy frustrated blend of practicing some yoga sequencing, trying to get some reading done, making food for the children and caring for their illness. We ended our evening watching a Thuppet movie. Pi had been in Linköping over the day and came back around 10 pm.
