For andy (Fronallt Version)

Play a game, something like Hide and Seek, Blind Man's Bluff or Marco Polo.

Play the game alone being both the person 'seeking' and 'hiding'.

The roles could be made clear to the audience by combining and switching between short loud shouts with the voice and long quiet sustained notes on the trumpet.

For andy (Ingamells Variation)

Holding a trumpet, hide yourself from view allowing the audience to see only the trumpet.

Keep the trumpet level and play a sustained note whilst moving the trumpet up or down so that it appears to float.

Explore the maximum and minimum height possible.

Repeat in several different locations.
