

KÄLLA:

Ur Imane Boukalias *Tressing Motions at the Edge of Mistakes*

### **Cover Description**

A vertical silhouette of a fish is set in the middle of a salmon-pink background. Inside the fish silhouette is a photo of space, with tiny galaxies dancing along the trout's body. "Tressing Motions at the Edge of Mistakes" is set in large white text over the fish, followed by "poems" in light blue. "IMANE BOUKAILA" is set in white, all caps text at the bottom.

*(Traveling muddled streams)*

Trust plots mind treasures

grandly muddled

motioning tacit

vamped streams

that drag plucked potential

Truth tracks intention

to free modes trapped

thinning unfolding pleated

thoughts

rehearsing dropped roles

staging omitted scenes

Tragedies theming dramatic endings

Tramps traveling trials

looking to home troubled hope

tucked

in their sorrow

trusting the vacant roads

to recreate trust

healing the hollow

Trouts trying to view time  
drastic ending torn  
daring

to travel muddled streams

to grab a novel seemingly careless path  
voiding the troubled  
insides losing

Tried doubts  
dreaming piles of infinite illegitimate truths

*(Honoring trouts' feasting)*

dreaming meaningful streams

awakening in troubled waters

embracing mad currents

deviant shallow sound echoing depth

resonating truth swelling

overflowing thoughts mapping spills

trooping fast assembling voracious trouts' pounding

threats hostile hesitating breaths holding pressed intent

daring shouted mistakes unstable motions

trying to redirect greedy trouts' tressing

truth diving mostly in stressed waters mocking trials

treasuring conflict sailing distant stories

shored forgotten dreams still grieving

searching hungry trouts' messing

thoroughly hustling trails sheeted stratified certified

soaring ditched treasures mirroring matters

drowning sinking trouts' screaming

distress calling survival

instinctively honoring trouts' feasting

dipping merry treasures resurfacing

swimming against resisting currents

recurrent fishing ideas busting bystanders

freaking hesitating modes slowing free thinking

starving smothered means timing feeding

satiating trouts' dissecting

s. 60

*(Regurgitating Tried Catfish)*

Think potentially cats and fish treasure mistakes

rooting survival

swaying with sabotage-cloistered ambition

to rebound rebellious souls

clearing trials

desperate madness harnessed in combat

cats' eyes

thoroughly fooling tucked signs

trying to strike unexpectedly rude

deeply immersing trials

reckless stories inspiring

listening to imperceivable tilted false paths

hasting decisions

deceiving truth

hesitation grounding threats

risk awakening

unstraining chains detaining daring cries

messing silenced licensed doubt

trouting conspiracies

incoming rushes

flushed tides

trusting courses

messing mobilized frights

gripping thrills

freeing catfish to act

tracking motions

thriving in frightening piled mistakes

distilled stressed invigorating claws

jaws widening

swallowing fear

regurgitating balls incrusting with rivalry

*(I'm still trouting treasures)*

Trouts reinvent dreams  
easing travel

swinging with side currents  
dormant tracks resuscitated

fitting strokes trying  
remembering seasonal streams

tressing trialed memories  
into homes redefining

accelerating truths  
savoring shaved reasons

Freezing shouting mouth  
watering stressed reasons

to resign thoughts  
voiding simulated tales

treasuring dotted pods  
reassembling listening

voracious sonic stubborn  
chourses chanting disenchantment

losing mostly shoved raging  
freeing treasures

strapped in the trout's gut  
opening trust

only differentiating  
trimmed truth  
trying to move

*(Trouts' triumph)*

Trouts motion moments  
troubled mostly by  
free streams

Treasuring dreaming  
silently in doubtful currents  
emerging unexpectedly

*at 3am I think like a trout reshaping my way embracing the flow voting the  
direction  
fighting recurring troubled waters facing truth impossible thoughts*

(I'm restricting implied hope)

Tressing trials  
timing the arrival  
trusting free hidden          potential  
to hone my hesitation

Tracking only truth to inspire  
my motivation instinct treasures  
more than intention plotting innate  
destinations trooping thinking hostile  
fights mocking treasured motions  
thriving on the way to the final  
reason holding

Dreaming together  
frees the mind treasures

*mind emits motions intruding troubled unresting individual ideas invisible to  
thoughts  
beaded together*

finite doomed seated timing to be

Trouts mess plotted motions  
titrating mostly minuted  
trivial moments to  
tribulating

Traps inevitably resilient trouts  
hitting inside threats to  
loop tomorrow's  
triumph
